

## APPLICATION for SUMMER 2024

Dear parent or guardian,

Thank you for your interest in our BUILD Higher Achievement Program at Scranton Prep. This is an academic program designed to help middle-school students of good character increase their skills in English, Math, and Writing, in the hope that they will be better prepared for their future school and life choices.

The enclosed brochure provides many details about the topics, the work, the schedule, and the hopes for BUILD. Please read it in its entirety prior to beginning the application process. It is a wonderful opportunity for your child, but it is a commitment. We look forward to welcoming every student every day for the full five weeks of the program.

Once you have completed and submitted the application form and your child has submitted the personal composition, I will reach out to you to schedule an interview with you and your child. Those students who are accepted into the program will be notified by mail by the last week of April. Application deadline is **Monday, April 1**.

We consider it a privilege and an honor to serve your child if you give us the opportunity. In this first year, the class size will be capped, so space is limited. Please note that we will not be able to accept every student who applies.

Register online at [scrantonprep.org/BUILD](http://scrantonprep.org/BUILD). If you have any questions, please call Daniel Marx at 570-941-7737 or email [dmarx@scrantonprep.org](mailto:dmarx@scrantonprep.org).

Sincerely,

Daniel Marx  
BUILD Director
